

Economic Development in Codman Square

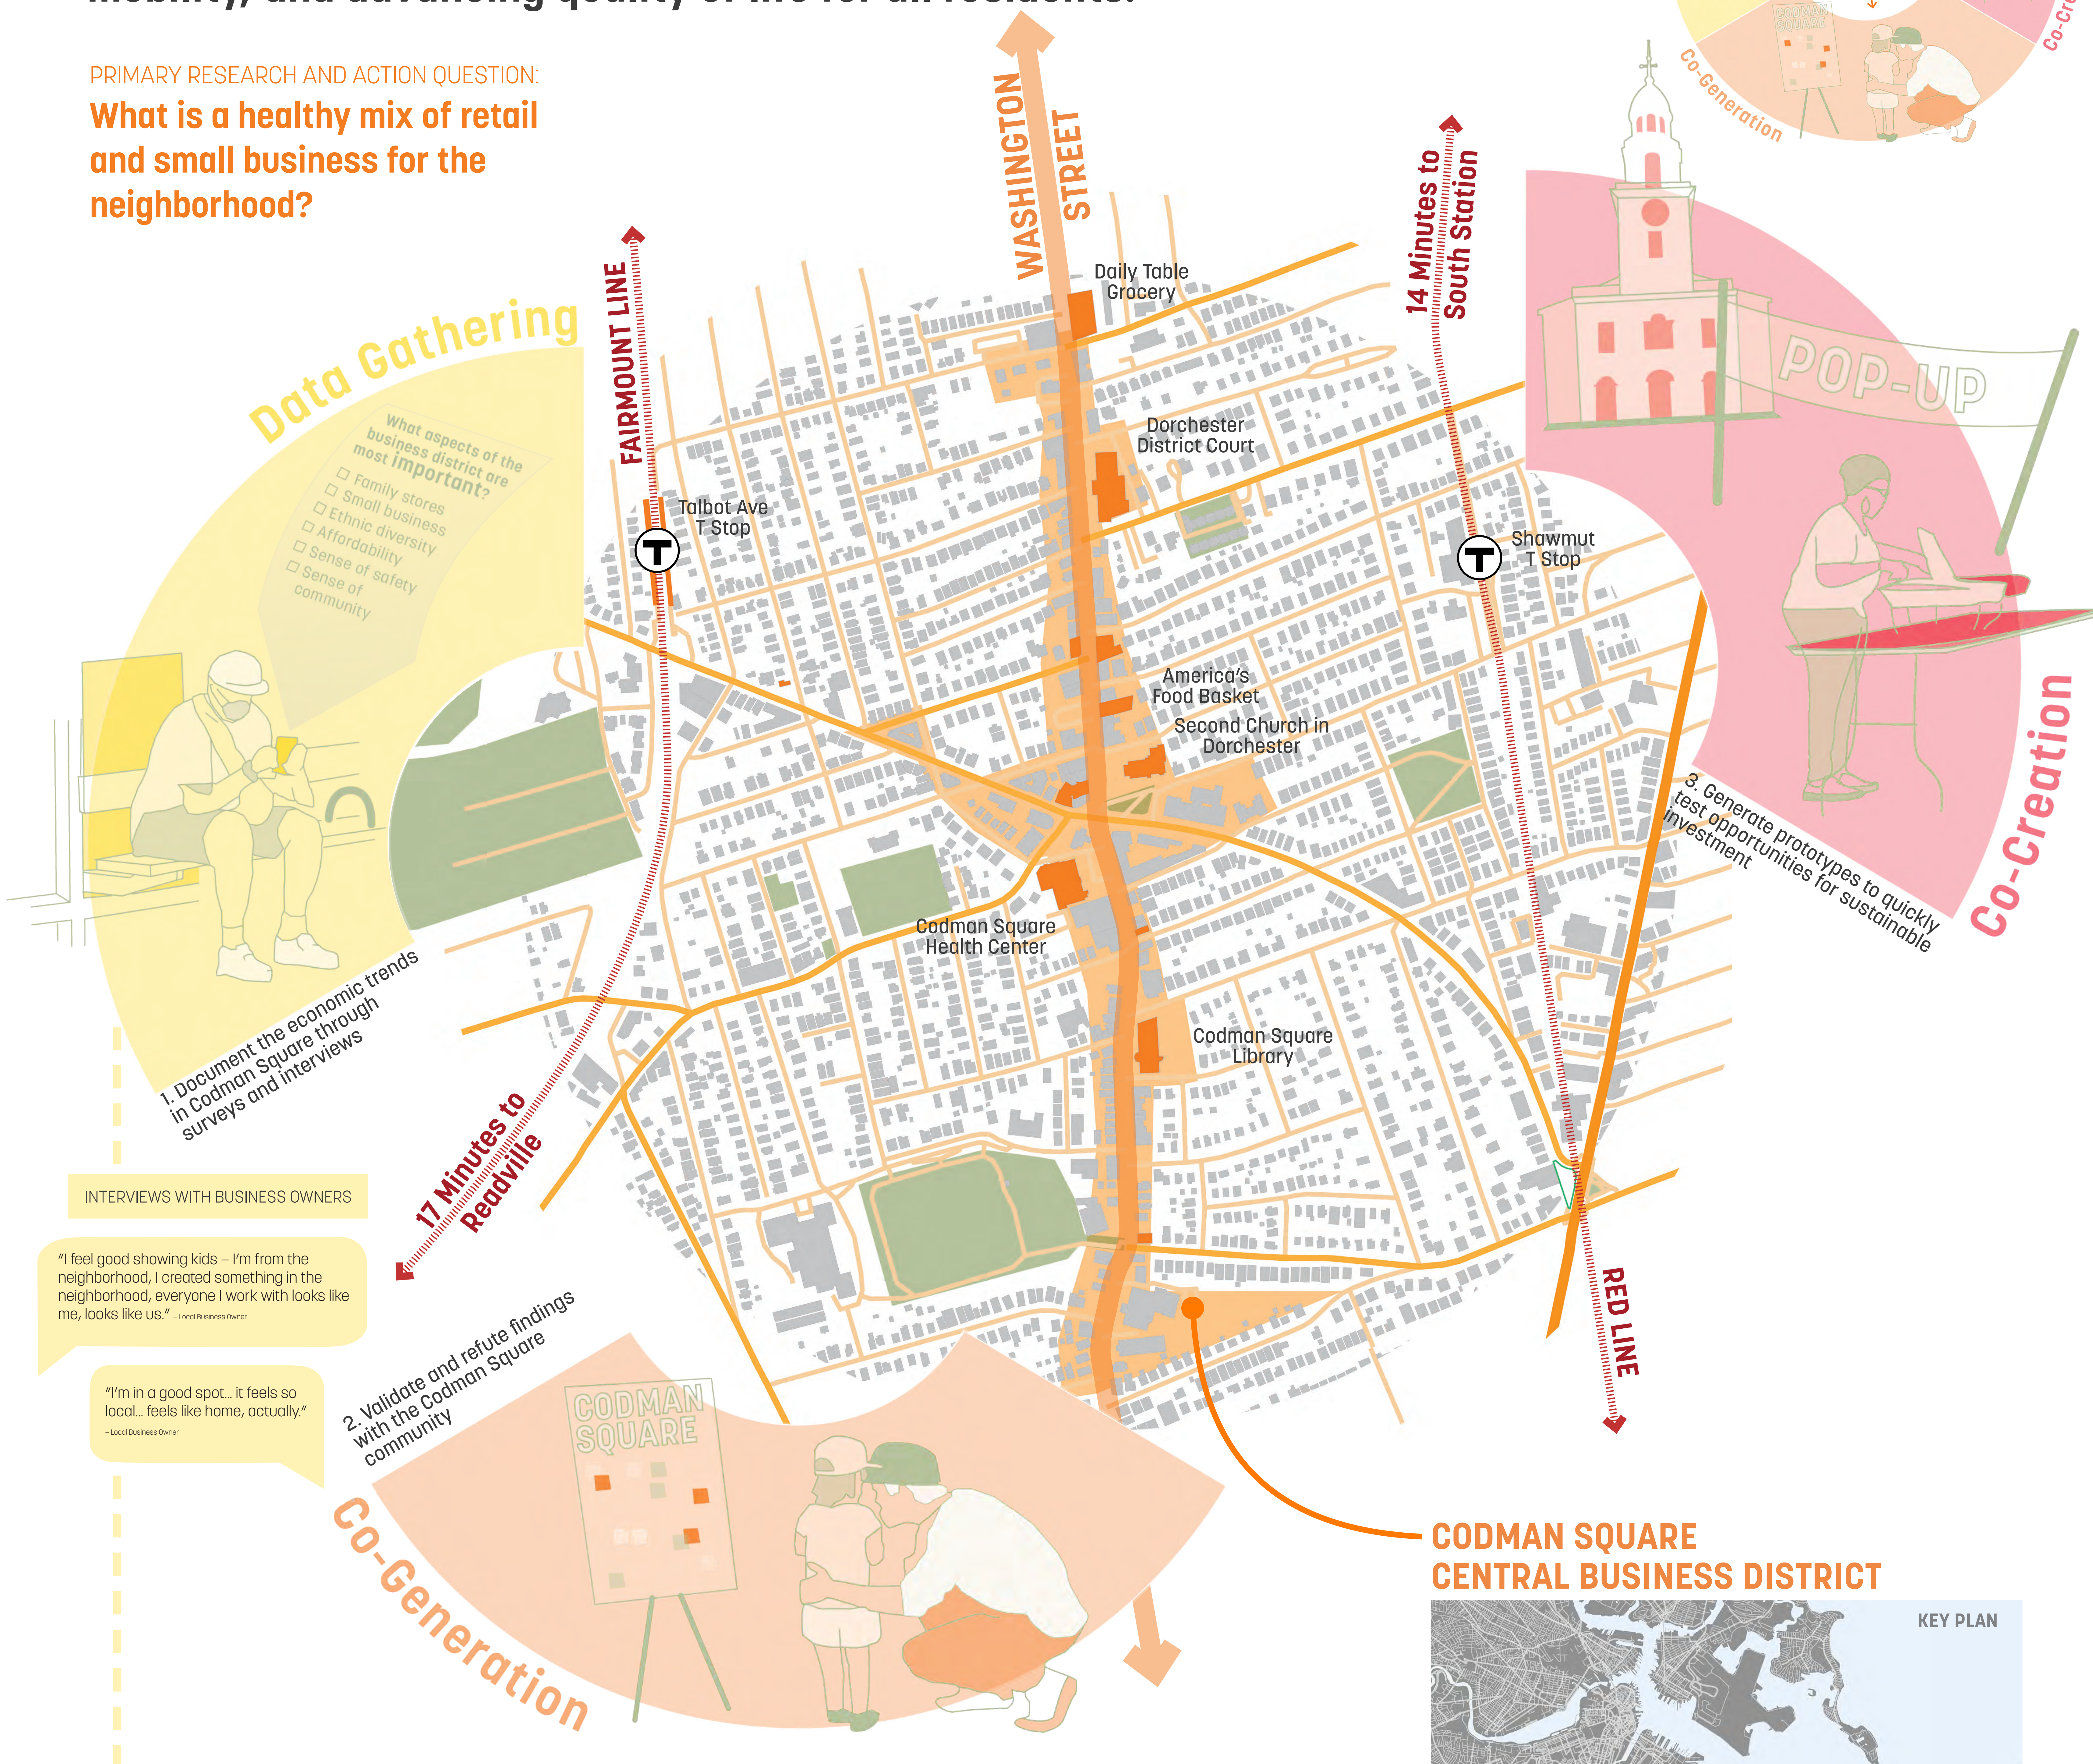

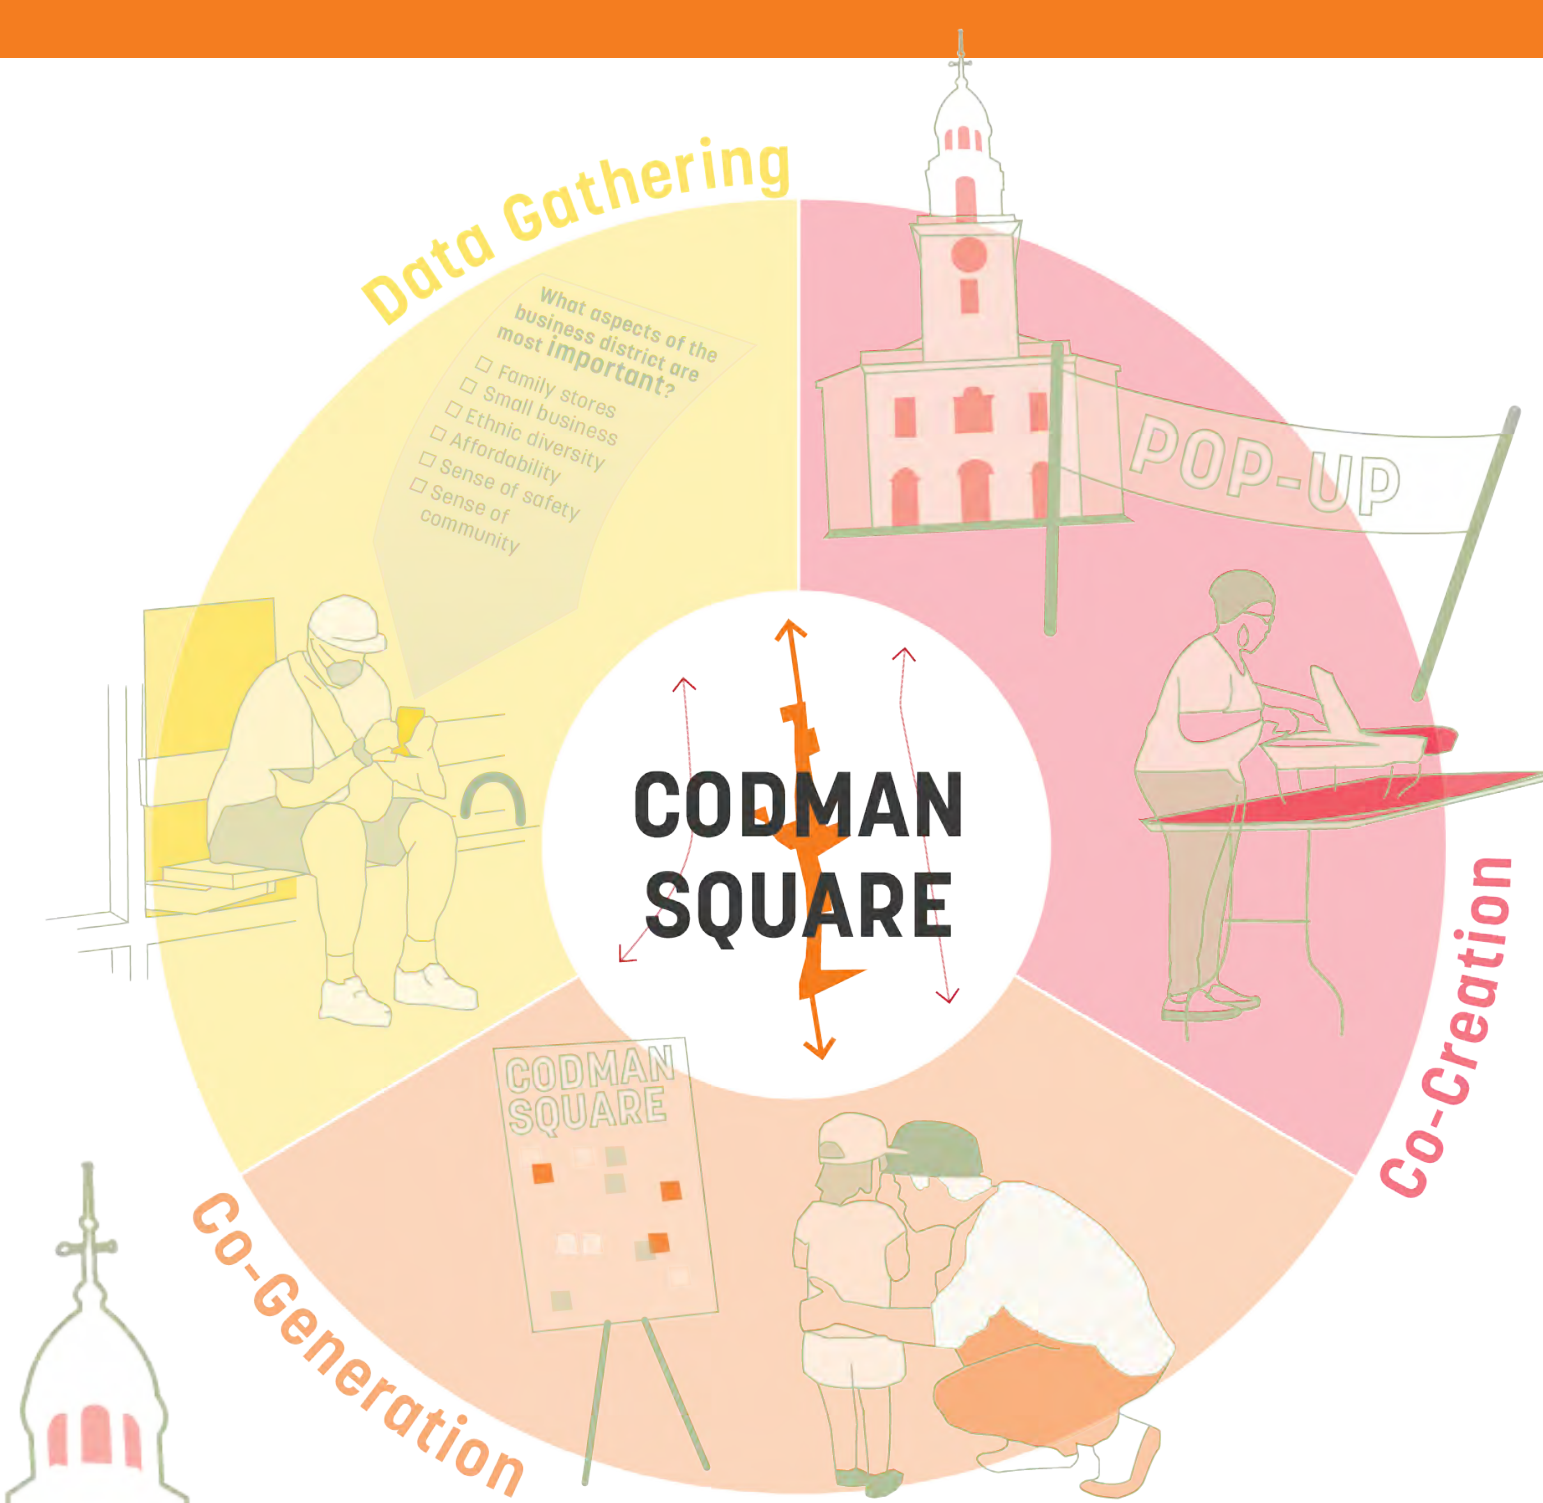

Neil McCullagh, Taylor Perkins, Keyna Samuel, Charles Vlahakis

This project seeks to co-generate a community-grounded strategy to support and promote local business – strengthening the community, improving economic mobility, and advancing quality of life for all residents.

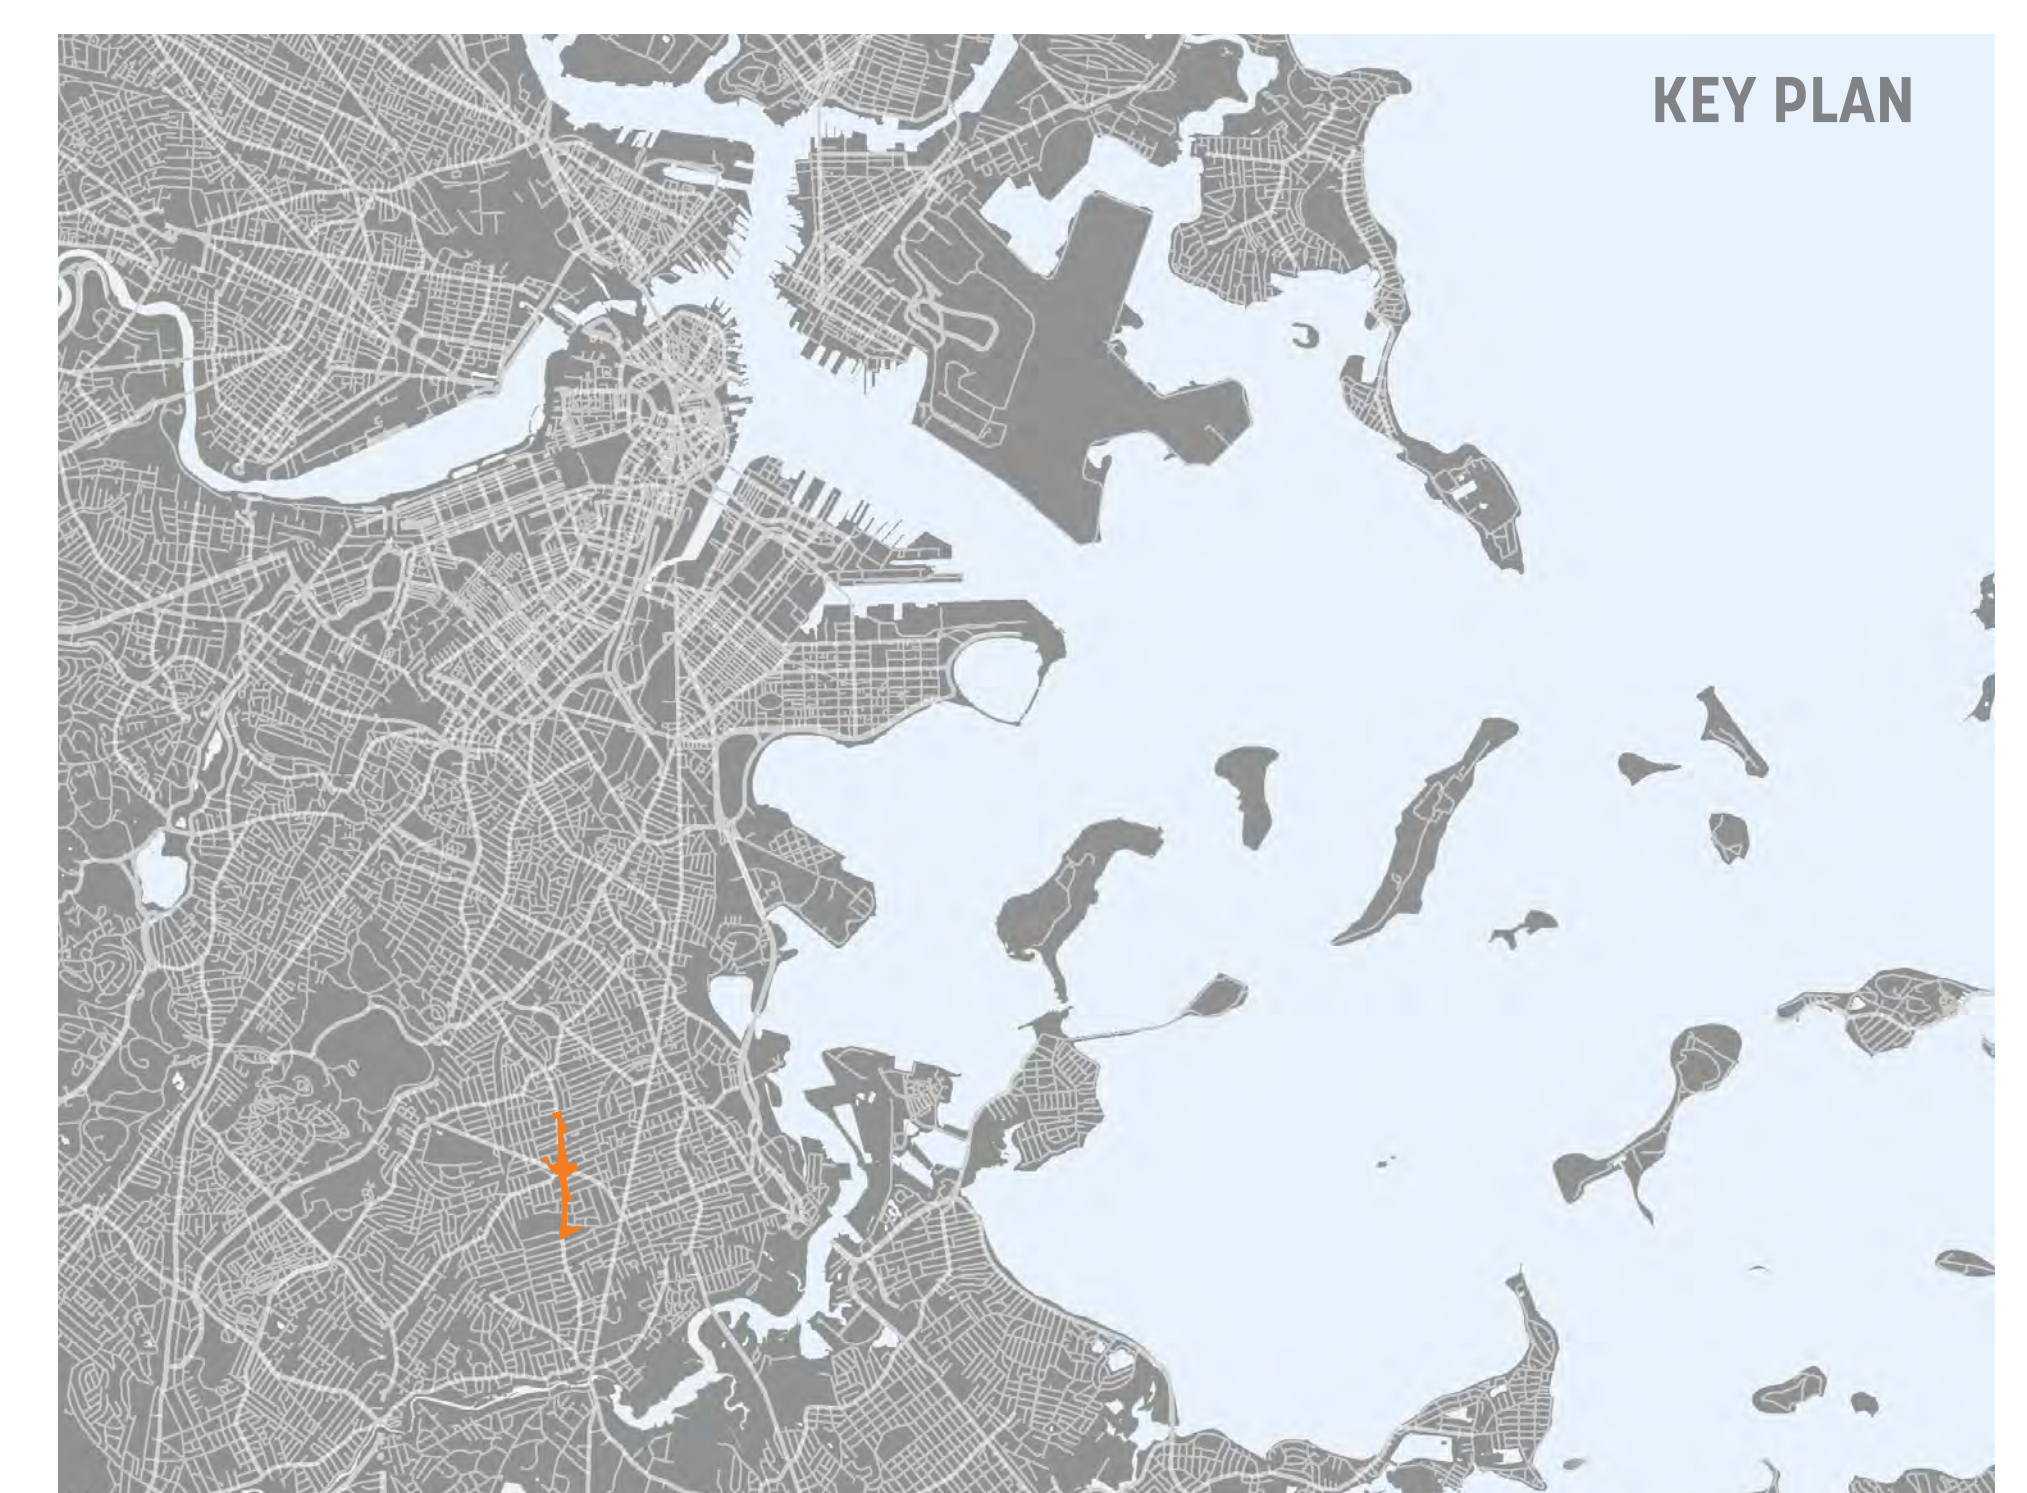

PRIMARY RESEARCH AND ACTION QUESTION:

What is a healthy mix of retail and small business for the neighborhood?

Codman Square Neighborhood Development Corporation
in partnership with
The Joseph E. Corcoran Center
For Real Estate And Urban Action
at Boston College

**CODMAN SQUARE
CENTRAL BUSINESS DISTRICT**

COMMUNITY SURVEY WILL COLLECT DATA ON:

- Where do folks living around Codman Square do most of their shopping? How has the COVID-19 pandemic affected the frequency of neighbors shopping in Codman Square?
- What do folks want to see in Codman Square? What is there that they like, and what's missing? What kinds of new businesses would their neighbors support?
- What aspects of the business district do locals think are most important to preserve?
- What do folks think about increasing the volume of business taking place in Codman Square? What are the highest priorities for the Codman Square community when it comes to commercial business improvements?
